

EBDS2-24

EBD2-24

EBD3-24

EBD4-24

Cabinet Construction

- Heavy duty stainless steel countertop with textured laminate, black vinyl exterior.
- Open spaced interior with no walls between compartments.
- Galvanized steel interior walls and high quality stainless steel floor.
- Exterior T-shaped drain port routes excess moisture from the top tray. Drain hose not included. Floor drain required.
- 1 3/4" thick high density polyurethane insulation.
- Built-in caster thread receptacles for all models.

Refrigeration System

- Side mounted, self-contained and fully detachable Blizzard R290 condensing unit uses environmentally friendly, EPA-compliant R290 refrigerant with zero (0) Ozone Depletion Potential (ODP) and three (3) Global Warming Potential (GWP). Blizzard R290 is easily replaceable and requires no on-site brazing.
- Electronically commutated (ECM) fan motors achieve rapid cooling with less energy consumption.
- Full-length air duct ensures optimal cold air circulation.
- Time-initiated and temperature-terminated auto defrost cycle for seamless operation.
- Large capacity, corrosion-resistant condenser and evaporator coils.
- Self-maintaining, energy-efficient condensate drain pan requires no external drains or electric heaters.
- High performance, auto-reverse condenser fan motor supports compressor ventilation and condenser coil cleaning.
- Pre-wired and ready to plug, 115V/60Hz/1Ph, NEMA 5-15P.

Lighting

- Energy efficient silicone coated and shatter-proof LED lighting provides bright, high color illumination with low heat output.

Doors

- Textured laminate, black vinyl exterior with galvanized steel interior.
- 1 3/4" thick high density polyurethane insulation.
- Snap-in magnetic gasket for ease of cleaning.
- High strength, recessed handles.
- Pre-installed locks keep your items safe from theft.

Draft Arms

- NSF certified, 3" diameter insulated stainless steel draft arm with matching air distributor. Two single faucet draft arms for models EBDS2-24 and EBD2-24. One single faucet and one dual faucet draft arms for model EBD3-24. Two dual faucet draft arms for model EBD4-24.

Temperature Control

- Multi-function digital controller with easy to read LED display.
- Factory preset temperature, 35°F. Temp-set range from 33°F to 54°F.
- Audible overheat protection alarm for compressor and condenser coil.

Options

- Dual or triple faucet draft arms and matching air distributors.
- 3" or 5" swivel casters with locks.
- 3.5"-6" height-adjustable and interchangeable legs.
