

Food Prep. Tables

Side Mounted Condensing Unit - EP & EPP Series

Reference Model: EPPR2-D2

The Food Prep Table Side Mount series comes with the traditional features of the back mount line with additional amenities to further boost convenience. Digital controls provide advanced temperature options in a user friendly interface.

● Exterior ○ Interior

1: Digital Control

Multi-function with easy to read LED display.

2: Detachable Top Pan Lid

1/2" thick, polyurethane insulated lid keeps top pans cold and prevents moisture build up. Also detaches for accessibility and ease of cleaning.

3: Removable Top Pans

NSF certified 6" deep polycarbonate pans are removable for storage options and cleaning.

4: Detachable Cutting Board

Plastic cutting board and stainless steel brackets fully detach for ease of cleaning.

5: Recessed Door Handle

Heavy duty with high traction surface

6: Stainless Steel Drawers

Comes 14-gauge stainless steel brackets and low-friction rollers that withstand intense drawers use.

7: Heavy Duty Swivel Casters

Standard 5" with locks on front set. Optional 3" swivel caster or height-adjustable leg replacements also available.

Blizzard R290 Condensing Unit

Side mounted, self-contained, fully detachable and uses environmentally friendly, EPA-compliant R290 refrigerant with zero (0) Ozone Depletion Potential (ODP) and three (3) Global Warming Potential (GWP). Blizzard R290 is easily replaceable and requires no on-site brazing.

Audible Overheat Protection Alarm

Keeps compressor and condenser coil from overheating.

Self-Maintaining Condensate Pan

Energy efficient and requires no external drains or electric heaters.

ECM Evaporator Fan Motor

Electronically Commutated. Achieves rapid cooling with less energy.

ECM Condenser Fan Motor

Reversible and Electronically Commutated. Cools down compressor and supports condenser coil cleaning.

8: Full Length Air Duct

Ensures optimal distribution of cold air.

9: Rear Bumpers

Keeps a safe distance between the wall and the unit to prevent ventilation obstruction.

10: Vacuum Relief U-Trap

Keeps hot air from entering the cabinet interior and helps relieve cabinet pressure.

11: Ridge-Lined Door Gaskets

Keeps air tight seal and promotes smooth cabinet re-entry. Snap-in for easy cleaning and replacement.

12: Stainless Steel Interior & Exterior

High quality with rounded corners for a hazard-free workspace.

13: Air Tight Seal

Self-closing door with adjustable torsion system ensures a positive seal.

14: Adjustable Preparation Area

Stainless steel pan dividers are adjustable for top pan customization and are removable for ease of cleaning.

15: Thick Insulation

2.5" thick high density polyurethane insulation ensures temperature stability and conserves energy.

16: Optional Double Overshelf*

Provides additional storage and serving options. NSF certified, made of stainless steel.

* Applies to select models.
