24" DEEP SLIDING GLASS DOOR BACK BAR COOLER

EBB90G-SD

EBB Series

Refrigeration System

• Side mounted, self-contained and fully detachable Blizzard R290 condensing unit uses environmentally friendly, EPA-compliant R290 refrigerant with zero (0) Ozone Depletion Potential (ODP) and three (3) Global Warming Potential (GWP). Blizzard R290 is easily replaceable and requires no on-site brazing.

 \cdot Electronically commutated (ECM) fan motors achieve rapid cooling with less energy consumption.

- \cdot Full-length air duct ensures optimal cold air circulation.
- Time-initiated and temperature-terminated auto defrost cycle for seamless operation. • Large capacity, corrosion-resistant condenser and evaporator coils.

• Self-maintaining, energy-efficient condensate drain pan requires no external drains or electric heaters.

 \cdot High performance, auto-reverse condenser fan motor supports compressor ventilation and condenser coil cleaning.

· Pre-wired and ready to plug, 115V/60Hz/1Ph, NEMA 5-15P.

Cabinet Construction

- · Heavy duty stainless steel countertop with textured laminate, black vinyl exterior.
- \cdot Open spaced interior with no walls between compartments.
- · Galvanized steel interior walls and high quality stainless steel floor.
- $\cdot 13/4$ " thick high density polyurethane insulation.
- · Built-in caster thread receptacles.

Lighting

 \cdot Shielded LED bar lighting with on/off switch provides bright, high color illumination at lower heat output.

Doors

- · Low emissivity double glass panes reflect UV rays for efficient cooling.
- · Black PVC door frames.
- · Self-closes by weight.
- · Removable doors and stainless steel door tracks make cleaning an easy process.

Shelving

- · Two epoxy coated, steel wire shelves per section.
- · Height adjustable stainless steel clips.

Temperature Control

- · Multi-function digital controller with easy to read LED display.
- · Factory preset temperature, 35°F.
- Temperature setting range from 33°F to 54°F.
- · Audible overheat protection alarm for compressor and condenser coil.

Options

- · Additional shelving.
- \cdot 3" or 5" swivel casters with locks.
- \cdot 3.5" 6" height-adjustable and interchangeable legs.
