The Industry's LONGEST WARRANTY COVERAGE

We're not just going above the standard. We're redefining the commercial refrigeration industry with the longest, most comprehensive and most reliable warranty coverage yet. R290 refrigerators and freezers shipped from Everest from January 1, 2023 come with 3 Years Parts & Labor, 5 Years Electrical Components and 10 Years Compressor Warranty. Exceptions apply to the Glass Door Merchandiser Freezer, Open Air Merchandiser and Laboratory Refrigerator & Freezer series which retain their original warranty coverage with an additional 5 Years Electrical Components Warranty.

Glass Door Merchandiser Freezers

3 Years Parts & Labor WTY
5 Years Electrical Components WTY^{1,2}
5 Years Compressor WTY²

Open Air Merchandisers & Laboratory Refrigerators/Freezers

2 Years Parts & Labor WTY
5 Years Electrical Components WTY^{1,2}
5 Years Compressor WTY²

¹ The Electrical Components Warranty applies to control boards, sensors, defrost heaters, evaporator/condenser fan motors, LED lights & power supplies, and door switches.
² Covers for parts only. Shipping & labor not included.

Blizzard R290

All Everest products are equipped with the industry's first, all-in-one, slide-out cooling cartridge designed for rapid cooling, safety, and ease of replacement. Sliding the old cartridge out and the new cartridge in takes only 30 minutes, without brazing or the risk of fire.

Energy Star Certified

Everest Refrigeration is Energy Star certified. Our products save money, reduce energy consumption, and protect the environment by meeting strict energy-efficiency guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy.

National Sanitation Foundation

The National Sanitation Foundation is a highly respected organization in the foodservice industry. Everest products are NSF certified which makes them one of the safest and most sanitary refrigerators and freezers out on the market today.

Compliance & Certification

At Everest, we go above and beyond the basics when it comes to foodservice equipment. We not only stay ahead of the game with reliable, versatile, and innovative designs, we also stay on top of essential compliance and certification requirements. Our products undergo rigorous testing and evaluation with Nationally Recognized Testing Laboratories (NRTL) accredited by Occupational Safety & Health Administration (OSHA). We never stop improving and perfecting our lines to bring you the very best of the foodservice industry.

Blizzard R290

ALL-IN-ONE SLIDE-OUT COOLING CARTRIDGE

All Everest products are equipped with Blizzard R290—the industry’s first, all-in-one, slide-out cooling cartridge designed for rapid cooling, safety, and ease of replacement. Replacing the cartridge only takes 30 minutes, without brazing or the risk of fire. Blizzard R290 uses natural, climate-friendly, hydrocarbon refrigerant. It’s an effective alternative to hydrofluorocarbon-based refrigerants without the harmful effects on the environment. It is fast cooling and meets the daily energy consumption standards of the U.S. Department of Energy and the Environment Protection Agency which significantly reduces energy spending and carbon footprint.

Engineered for Safety and Ease

Top Mount

Back Mount

Side Mount

30-Minute Replacement

Slide the old cartridge out, slide the new cartridge in.

Zero Brazing

No brazing, soldering, or welding means no risk of fire.

Maintenance-Free

Auto-reverse fan helps keep the condenser coil clean.

Auto-Diagnostic System

Audio-visual alarms trigger at high temperatures.

Environmentally Safe

Uses EPA-approved, natural, hydrocarbon R290 refrigerant.

EVEREST REFRIGERATION WARRANTY PROGRAM

EVEREST warrants to the first purchaser of every new EVEREST equipment, the cabinet and all parts thereof, to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by EVEREST and upon proper installation and start-up in accordance with the instruction packet supplied with each equipment.

(3) Years Labor & Parts Warranty¹ and (5) Years Compressor Warranty³

Applicable to R-134A, R-404A and R290 Upright Reach-Ins, Glass Door Merchandisers, Undercounters, Chefbases, Prep. Tables, Bar Equipment and Countertop Refrigerated Display Cases shipped from Everest before January 1, 2023.

(2) Years Labor & Parts Warranty¹ and (5) Years Compressor Warranty³

Applicable to R290 Open Air Merchandisers shipped from Everest before January 1, 2023.

(3) Years Labor & Parts Warranty¹, (5) Years Electrical Components Warranty² and (10) Years Compressor Warranty³

Applicable to R290 Upright Reach-Ins, Glass Door Merchandiser Refrigerators, Undercounters, Chefbases, Prep. Tables, Bar Equipment and Countertop Refrigerated Display Cases shipped from Everest from January 1, 2023.

(3) Years Labor & Parts Warranty¹, (5) Years Electrical Components Warranty² and (5) Years Compressor Warranty³

Applicable to R290 Glass Door Merchandiser Freezers shipped from Everest from January 1, 2023.

(2) Years Labor & Parts Warranty¹, (5) Years Electrical Components Warranty² and (5) Years Compressor Warranty³

Applicable to R290 Open Air Merchandisers and Laboratory Refrigerators/Freezers shipped from Everest from January 1, 2023.

¹ Labor & Parts Warranty

EVEREST's obligation under the Labor & Parts Warranty is limited to a period of (2) or (3) years from the date of shipment from EVEREST. Any part covered under this warranty that is determined by EVEREST to have been defective within (2) or (3) years from the date of shipment from EVEREST, is limited to the repair or replacement, including labor charges, of defective parts or assemblies. Labor warranty shall include standard straight time labor charges and reasonable travel time, as determined by EVEREST.

² Electrical Components Warranty

EVEREST's obligation under the Electrical Components Warranty is limited to a period of (5) years from the date of shipment from EVEREST. Any electrical component covered under this warranty that is determined by EVEREST to have been defective within (5) years from the date of shipment from EVEREST, is limited to the replacement of the electrical component. Electrical components covered under this warranty are limited to control boards, sensors, defrost heaters, evaporator/condenser fan motors, LED lights & power supplies, and door switches. This warranty does not cover the cost of shipping, labor or other parts.

³ Compressor Warranty

EVEREST's obligation under the Compressor Warranty is limited to a period of (5) or (10) years from the date of shipment from EVEREST. Any compressor or compressor components covered under this warranty that is determined by EVEREST to have been defective within (5) or (10) years from the date of shipment from EVEREST, is limited to the replacement of the compressor or compressor components. This warranty does not cover the cost of shipping, labor or other parts.

Warranty Claims

All warranty claims must be made directly through EVEREST. All claims shall include the equipment model and serial number, proof of purchase, installation date, and all other relevant information. To qualify for an electrical component or compressor warranty claim, the replacement item must have been purchased directly from EVEREST.

Warranty Exclusions

EVEREST's sole obligation under this warranty is limited to the repair or replacement of parts, subject to the additional limitations below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

Non-Warranty Parts: EVEREST excludes specific parts exposed to normal wear and tear. These parts include, but are not limited to, lamps, gaskets, casters, shelving, pans and airflow guards.

Indirect or Consequential Damage: EVEREST does not warrant economic loss, profit loss, or special, indirect or consequential damages including, without limitation, losses or damages arising from food or product spoilage claims caused by refrigeration failure.

Improper Usage: EVEREST does not warrant component failure and/or other damages resulting from improper usage and/or installation or failure to clean and/or maintain the equipment as set forth in the equipment's user manual. All EVEREST equipment are designed for use in a commercial setting. Warranty is invalid if the equipment is installed in a residence.

Relocation of Equipment for Repairs: EVEREST does not warrant the cost to move an equipment to or from its installed location, disassemble cabinetry or panels built around the equipment for the purpose of performing warranty repair.

Warranty is Non-Transferrable: Warranty is limited to the original purchaser or owner of the equipment. Warranty does not transfer with change of ownership.

Alteration, Neglect, Misuse, Abuse, Accident, Damage During Transit or Installation, Fire, Flood, Acts of God: EVEREST is not responsible for malfunctions due to alteration, neglect, misuse, abuse, accident, damage during transit or installation, fire, flood, storm, and/or other acts of God.

Unauthorized Modification: EVEREST is not responsible for the repair or replacement of failed or damaged components resulting from unauthorized modifications to equipment or the use of non-OEM parts.

Improper Electrical Connections: EVEREST is not responsible for any improper electrical connections resulting from electrical power failure, low or fluctuating voltage, incorrect amperage and the use of extension cords, generators or batteries.

Outside the U.S.: Warranty coverage does not apply to equipment sold or used outside of the United States.

These warranties are exclusive and in lieu of all other warranties, expressed or implied, and all other obligations or liabilities on our part, and we neither assume nor authorize any other person to assume for us any other obligation or liability in connection with the sale of said refrigeration equipment or any part thereof.
