

Gravity Shelf and Bottle Organizer

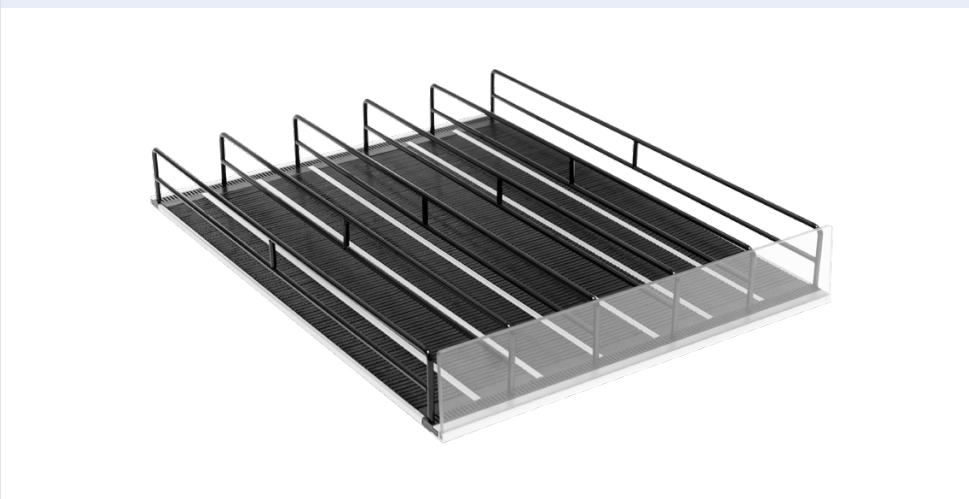

GLASS DOOR MERCHANDISER OPTIONAL ADD-ON

A forward-feed gravity shelf system designed for use in Everest Glass Door Merchandiser Refrigerators, engineered to maintain consistent product presentation, speed up restocking and encourage faster, impulse-driven purchases. Each set comes with (1) roll-in plate, (1) front fascia and (6) double dividers.

- Gravity roller plate constructed from durable, corrosion-resistant low-carbon steel.
- Angled gravity-feed rails automatically advance bottles and cans to the front.
- Adjustable lane dividers accommodate various bottle and can sizes.
- Clear acrylic front fascia acts as a bottle stopper to prevent product fall-off.
- Front fascia also provides a dedicated area for product price tags.
- Compatible with Everest Merchandiser Refrigerator shelf mounting systems.
