

EVEREST REFRIGERATION

Pass-Thru Refrigerators

The Smart Solution for Seamless Access and Restocking

Top Mounted Condensing Unit

ES Series

Everest Refrigeration

A step above the standard in
refrigeration and foodservice,
backed by the ***industry's longest
warranty coverage.***

What Are Pass-Thru Refrigerators?

- ◆ Pass-Thru or Double-Access Refrigerators feature doors on both the front and back, offering **flexibility** and **efficiency** in service.
- ◆ Back-of-house staff can **easily** stock items, while front-of-house staff or customers can **quickly** retrieve them through the opposite doors.

Ideal Applications

- ◆ **Grocery Stores:** Efficient restocking in busy aisles
- ◆ **Restaurants, Bakeries & Delis:** Faster service
- ◆ **Hotels & Catering Facilities:** Streamlines meal prep
